**Our Member Savings Plan is for patients who do not have dental insurance. The cost is as follows: Adults are 274.00 A year (13 and Older)
Children are 204.00 A year (12 and Younger)**

What our Member Savings Plan includes:

- **2 Professional Dental Cleanings in a twelve-month period**
- **1 set of digital cavity detecting x-rays in a twelve-month period**
 - **2 Dental exams in a twelve-month period**
- **2 Topical Fluoride Treatment a year (18 and Younger)**

The Plan also entitles you to **20%** off our standard fees for dental treatment, when paid in full at the time of service. The dental treatment must be scheduled within the 12-month period of the contract.

If you need to be referred out of our office to a specialist we have an agreement with our Endodontist (Dr. Claffey) that they will also grant you the **20%** in their office at no extra cost to you.

If you need to be referred out of our office to a specialist we have an agreement with our Oral Surgeon (Dr. Hinkle) that they will also grant you the **20%** in their office at no extra cost to you.

There are no refunds after the first cleaning and exam have been completed. The patient must have the second cleaning completed within the **12-month period** of the contract. There are no exceptions, so please schedule your second cleaning appointment prior to leaving on your first appointment. Should the patient miss their cleaning without a **48-hour notice**, it will be forfeited.

I have read, understand and agree to the terms of Southwest Dentistry's Member Savings Plan outlined above.
